Description

Presented by ex- big PwC/Deloitte VAT consultant from the UK, with over 10 years + experience. Tanweer has first hand knowledge of GCC VAT having been placed in the UAE in 2018 to assist clients in UAE and KSA with VAT implementation. He has a sea of knowledge to be shared for those with little or Zero VAT knowledge.

The goal is to equip the delegate with the main aspect of the Omani VAT Law and its application in Oman. All businesses are impacted by VAT with the majority obliged to register.

The course is a basic introductory course based on the Oman VAT legislation released in October 2020. This Free course will equip the student to be prepared and be able to understand the VAT law in time for the executive regulations. The VAT law has been broken down into small digestible sections to make it easy to understand with beautifully designed infographics.

If you have an interest in working in Oman or are currently employed in a finance role or wish to become a VAT expert for your company then online VAT training is the most affordable way of achieving an expertise in this field and reaching new career heights.
